

Katie Mitchell

As an avid Halter Horse enthusiast now, Katie Mitchell has been showing horses since she was 4 years old. After much success in her Youth All-Around events in several breeds, with three World Champions by the time she was 11 years old; she took the common "college hiatus" off from the horse world. During her 8 year stint (with 2 years of Vet School, and a return to undergraduate studies) it seemed like she has been gone from the show pen forever. However, she made the leap back into it, showing Paints & Quarters continuing her desire to compete and win up until this present day.

Katie sold Insurance as an independent agent years ago right out of college, and had a tremendous clientele. She and her husband J.T. Mitchell, a halter horse trainer, have owned several businesses that they have bought, made successful, then sold, over the years, but, these ventures have brought her right back to a career she loved and much missed. She was re-licensed again in the fall of 2009 and is excited to regain a career in an industry that she calls home!!

"I love to help anyone in the horse business. That is why I decided to work with Kaplow Insurance Agency. Kaplow offers an exclusive coverage not readily available to the public, including a multitude of coverage options, and the rates are the best in the industry!"
